Subject: Availability of Funds and Collection of Checks

Ms. Jennifer Johnson---

When speaking to a bank officer recently I learned of the recent law regarding changes in banking law, and, specifically, check truncation, and I am writing now to express my thoughts(and my interests) about this, and to ask for more information than I have yet to receive about the new and as yet unadvertised law.

As an older American I have always valued having my paper checks returned to me. In fact I use them in computing of my income tax, and as proof that I have made purchases in good faith. I pay for the privilege of having my paper checks returned to me---I am happy to do this, and would like to continue to do so. Unfortunately I can find no information up to now that assures me that this process will/can continue.

Can you advise me---?
